

RIVER WILDLIFE

Information

River Wildlife is a special natural sanctuary. For it to remain that way, the following rules are necessary:

- River Wildlife is a non-motorized recreation area. Your motor vehicles should be left secured in the designated parking areas.
- Everything carried in must be carried out
- including cans, paper, cigarette butts, etc.
- Please stay on the trails at all times to help protect this special place
- No hiking or dogs allowed on groomed cross-country ski trails.
- Bicycles are not allowed on any of the trails.
- Camping or picnic campfires are permitted only at designated campsites (camping by reservation only). Use fallen deadwood in the area for your campfire.
- The Sanctuary is nature's home. Please enjoy it respectfully by giving wildlife space, leaving plants undisturbed, and not taking anything from the property.
- All Wisconsin conservation laws pertain to River Wildlife's lands and waters.
- A membership or guest pass is required for daily use of River Wildlife's lands and/or facilities.

Violation of these rules will subject the individual to membership cancellation or loss of guest privileges.

To obtain further information about membership or guest privileges, please call 920-457-0134.
