It presents a distinctive banana nose, a creamy palate, and a spicy finish. As an organic and kosher spirit, Koval focuses on using locally sourced grains from a Midwest farmer collective, ensuring a pure and authentic expression of the region.

FOURTH COURSE: J. HENRY & SONS SMALL BATCH BOURBON (Wisconsin)

Bourbon

Description: From the rolling farmlands of Dane, Wisconsin, J. Henry & Sons offers a true small-batch bourbon crafted with heirloom red corn, wheat, and rye grown right on their family farm. Slow-aged in large barrels in a rustic, uncontrolled barn, this bourbon benefits from the wild Wisconsin weather swings, which work magic between the spirit and the oak. The result is a pure Wisconsin craft bourbon with aromas of sweet corn, caramel pudding, toffee, creamy vanilla, dark cocoa, cinnamon, coconut shavings, and Jamaican allspice. It's a complex yet balanced whiskey, perfect for sipping and savoring.
