

Black Tea

EARL GREY SUPREME

Organic Black Tea Blend • rich | citrusy | floral

A special reserve for Earl Grey lovers, we infuse our top grades of Yunnan Dianhong black tea with the essential oil pressed from real bergamot citrus fruits grown in Calabria, Italy.

WILD THAI

Organic Black Tea Blend • aromatic | rich | fruity

Rich vivacity and robust, malty character, Wild Thai Black offers a far more rustic and adventurous black tea experience than the common (and easily accessed) colonial heritage teas from Assam, Darjeeling, or Ceylon.

MASALA CHAI

Organic Black Tea Blend • spicy | balance | fragrant

The tea base consists of a robust and malty Assam balanced with our new, lively Orange Pekoe from northern Thailand. Bold yet balanced blend, emphasizing zesty ginger and fragrant cardamom with the simmering sweetness of Saigon cinnamon.

VANILLA BEAN

Organic Black Tea Blend • malty | smooth | sweet

Decadent and creamy, this is the ultimate vanilla forward black tea. Blending a malty, smooth-bodied tea from Yunnan with premium vanilla and high-quality chopped vanilla bean to create a silky, layered taste experience.

Oolong

BLU LONG

Oolong Tea Blend • floral | fragrant | lemony

Brilliant indigo blue butterfly pea flower adds vibrant color to floral Four Seasons Spring oolong tea from Taiwan. The addition of fragrant lemongrass and bright, juicy dried lemon turns the butterfly pea into a luscious, luminous shade of purple. The blend is finished with the cold pressed essential oil of fresh cedrat citrus, which has an ancient history and is prized everywhere from South China to the Mediterranean for its sweet, floral and zesty top notes.

White

WHITE PEONY

Organic White Tea • mellow | sweet | fresh

White Peony, also known by the traditional name Bai Mu Dan, is a popular style of white tea made of young tea leaves and silvery unopened leaf buds. This tea has a sophisticated mouthfeel. A gentle and slow air-dry withering process results in a brilliant amber infusion with a honey-like viscosity and mild flavor that pairs well with food.

Green

MOONLIGHT JASMINE

Organic Green Tea • rich | sweet | fragrant

This superior quality jasmine tea is beautiful to behold visually and even more stunning in its lush, abundantly aromatic sweetness.

A tea with an unimaginably rich sweetness that naturally complements the sweet perfume of Jasmine. Deeply fixed floral aroma with an elegant visual appearance.

MOROCCAN MINT

Organic Green Tea Blend • floral | fresh | complex

Moroccan Mint is a traditional green tea enjoyed throughout the world, balancing the bright taste of peppermint with lively green tea that can be sweetened to taste. This version features jasmine green tea for an aromatic complexity not found in common Moroccan Mint teas.

Botanical

CHAMOMILE MEDLEY

Organic Caffeine-Free Botanical Blend • savory | floral | herbaceous

Made of golden Croatian chamomile blossoms that are masterfully paired with soothing herbal counterpoints of lemon verbena, lemongrass and spearmint. Striking the perfect balance of savory and floral, Chamomile Medley is a delightful way to relax and refresh.

BLUEBERRY ROOIBOS

Organic Caffeine-Free Botanical Blend • succulent | sweet | robust

Highlighting the robust flavor of rooibos with fruity notes of elderberries, blueberries and hibiscus to create a tart yet sweet herbal blend. Schisandra berries add a layer of aromatic complexity with wild floral notes and cranberry-like tartness.

ELDERBERRY HEALER

Organic Caffeine-Free Botanical Blend • rich | berry | balanced

A tea that brews a rich and flavorful, immune-boosting wellness elixir. Elderberry has long been a popular ingredient in traditional and folk remedies because of the health potential it offers. By combining it with organic ginger and licorice, the tea becomes stronger and steeps with a natural sweetness.

TANGERINE GINGER

Organic Caffeine-Free Botanical Blend • succulent | zesty | juicy

This tea combines roots, fruits and herbs to create a vibrant vitality tonic. Invigorating ginger and licorice are balanced with tart rosehips and succulent tangerine. Real citrus peels awaken the senses with rejuvenating energy that is perfectly complemented by wild-harvested adaptogenic schisandra berry.
